WASHINGTON, D.C. 20301-1400

PUBLIC AFFAIRS

3 DEC 1986

Honorable Robert Dole  
United States Senate  
Washington, D.C. 20510

Dear Senator Dole:

This replies to your letter to Ms. Ruth Kirby requesting a violinist for a Christmas party in your office on December 15, subsequently changed to December 17.

We make every effort to provide musical support for official senatorial/congressional functions. However, public law (Title 10, USC) prevents us from authorizing such support at events that are primarily for social purposes, since it would put the Department of Defense in competition with commercial musical sources.

If you will provide confirmation that the support requested is for an official function of your office, I will be happy to authorize the requested support. Given the short lead time, a phone call from your staff to Ms. Kirby of my office (697 7385) will serve to expedite action.

Thank you for your request.

Sincerely,

A handwritten signature in dark ink, appearing to read "Douglas S. McCurrach", is written over the typed name.

FROM: SHEILA BURKE  
RE: CHRISTMAS PARTY

In addition to the general Christmas party I am planning to hold at my home, Bob Lighthizer has offered to have a party at his home specifically for Dole staff, (MLO, personal staff, Dole Foundation and Campaign America) and the lawyer's group working with Bob. However, Bob and I felt it might be better to have the Dole group here in your office as many of the lawyers group and perhaps some of the foundation staff and campaign America staff have never seen your offices.

Shall we plan to have Dole party at Lighthizers  
Capitol office

music piano

all former staffers and a guest  
relations, creditors, etc
